NITHI INTERNATIONAL TRADING LLC

NITHI INTERNATIONAL TRADING LLC is a leading supplier of building material & Global Procurement services provider. NIT started its operations in 2008 in full swing in U.A.E in different commodities serving customers not only in UAE but also in other GCC countries.

At, NIT we strive to bring you the best of everything that we supply, high quality materials, superior service, and quick delivery through our vast product knowledge. We attribute our diversification through growth and success primarily to the opportunities provided and challenges set forth by our clients over the years. A great deal of effort by our intellectual talent pool within our organization has demonstrated a strong “Pledge” every step of the way.

Apart from above materials we are specialized in Global Procurement supplying anything our clients require – from anywhere through our highly trusted sources.

Considering the growing demand for fabricated products in the region, in the year 2009 we started our fabrication company, Nithi Steel Industries LLC. We cater to all fabrication requirements in Architectural Metals, Architectural and ornamental fabrication in Stainless Steel/Brass/Copper/M.S/ & Aluminium fabrication.

Our Mission:

“To maintain incessant growth while at the same time enhancing the value of our products that we offer and simultaneously ensuring better customer experience by continually improving on the effectiveness of our service delivery to meet the client’s expectations.”

Our Partners:

We are also partners with OX IRON ART, a Netherland based company who deal with wrought iron decorative materials like Doors, Light posts, Gates and many more. Most of their products are handmade and they also deal with cast aluminium. Visit ox-ironart.com for more details.

NITHI STEEL INDUSTRIES L.L.C.

NITHI Steel Industries L.L.C is a leading fabrication industry under NITHI GROUP in UAE for over 7 years' experience in custom made contemporary design furniture, metal decorative products, handrails, metal screens etc.

Nithi Steel Industries LLC provides complete architectural & ornamental metal fabricators & coating solutions. We have diversity of projects, allied to our skills in providing light and decorative fabrication, has enabled us to gain a wealth of experience and knowledge to assist in all aspects of our clients requirements from initial concept, through design and production of CAD drawings, to manufacture a product, whether one off, prototype or batch work. Projects undertaken can either be manufactured as per your approved drawings, or alternatively we can assist you with the aid of our in-house design team and CAD system.

Metal Fabrication:

Managed by professionals honed by years of experience and aided by modern machinery, and organized management structure, we became known for our impeccable and intricate architectural metal works, custom made contemporary design furniture's, artistic interior/ exterior decoration, wide range of services for the most complex projects. Our factory is equipped with modern and advance technological facility for the manufacturing and Architectural steel work and structures for interior and exterior works. Additionally, we can do site installation on your project if required therefore, enabling you to benefit from our one stop shop for your project.

Metal Coatings:

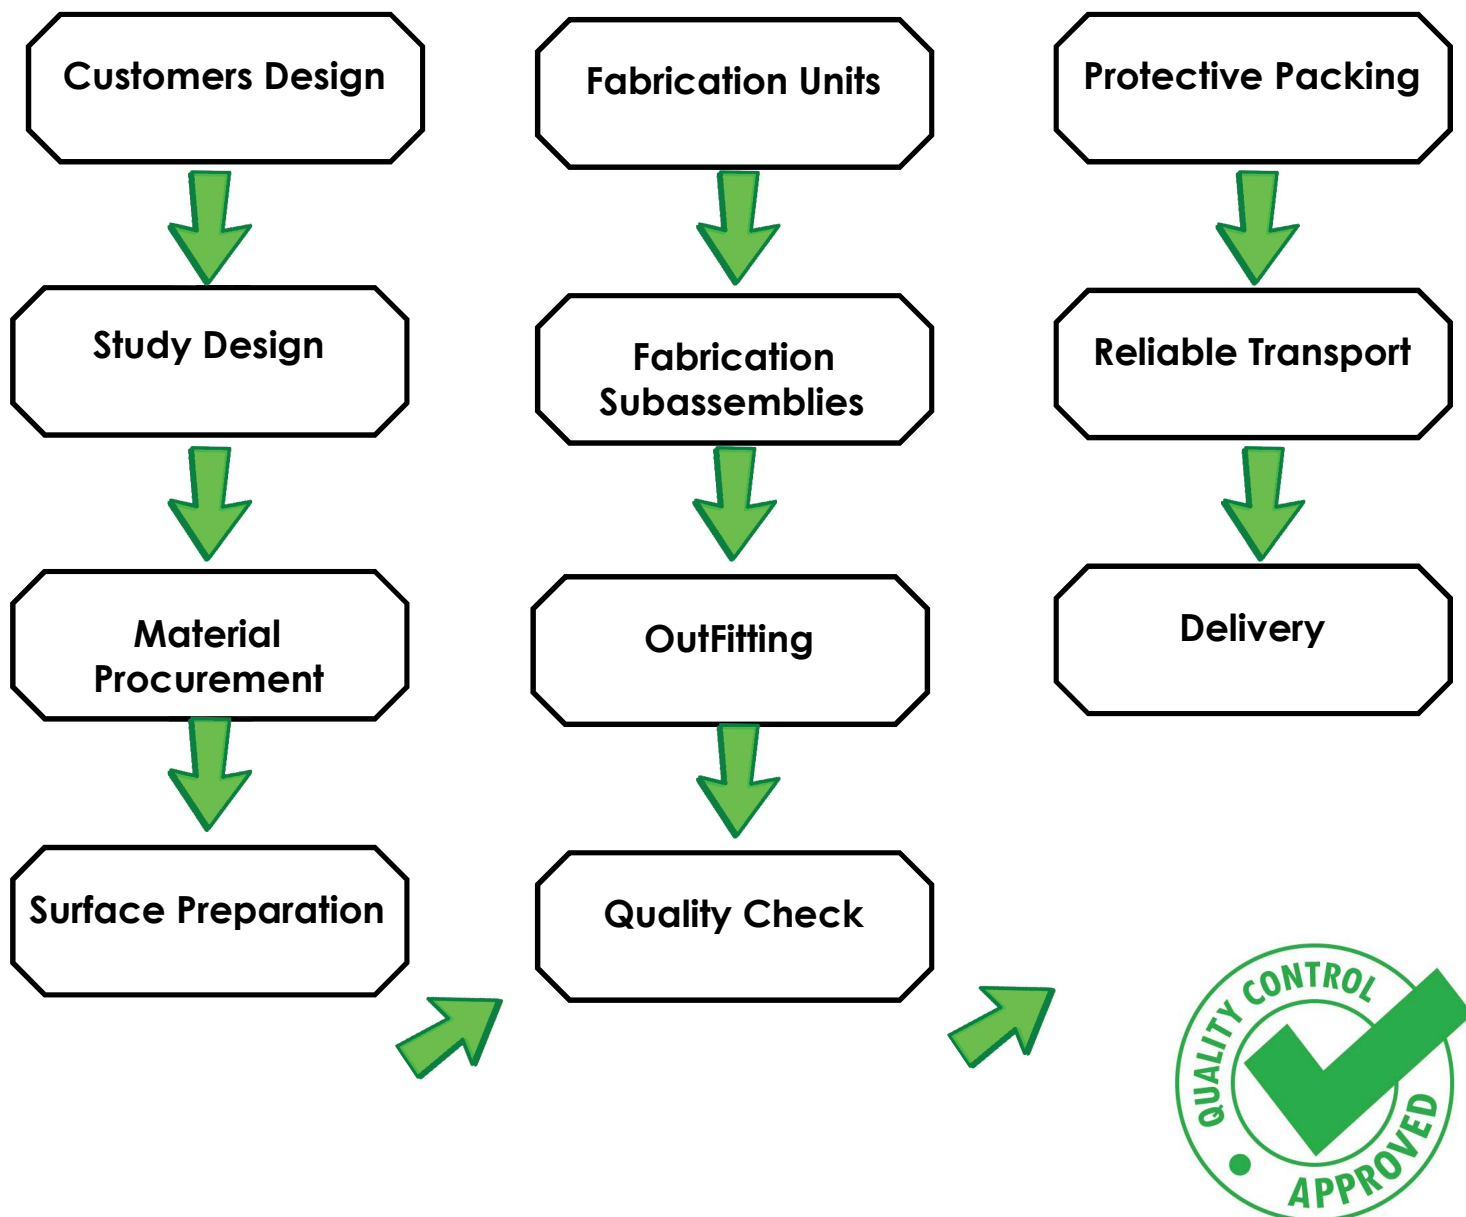

We provide all types of Electroplating, Hand Painting, Metal Finishes, Shades & Textures, Metal Polishing for Stainless Steel to Mirror, Brush and Hairline Finishing & Re-treatment of used Materials. It includes **Electroplating services such as Nickel Coating, Chrome Plating, Gold Plating, Tin Plating, Copper Plating etc. In Antiques we do Copper, Brass and all types of different antique finishes.**

Our clients include Hotel/Restaurant/Fit-out contractors/ furniture manufacturers, Architectural design and Construction.

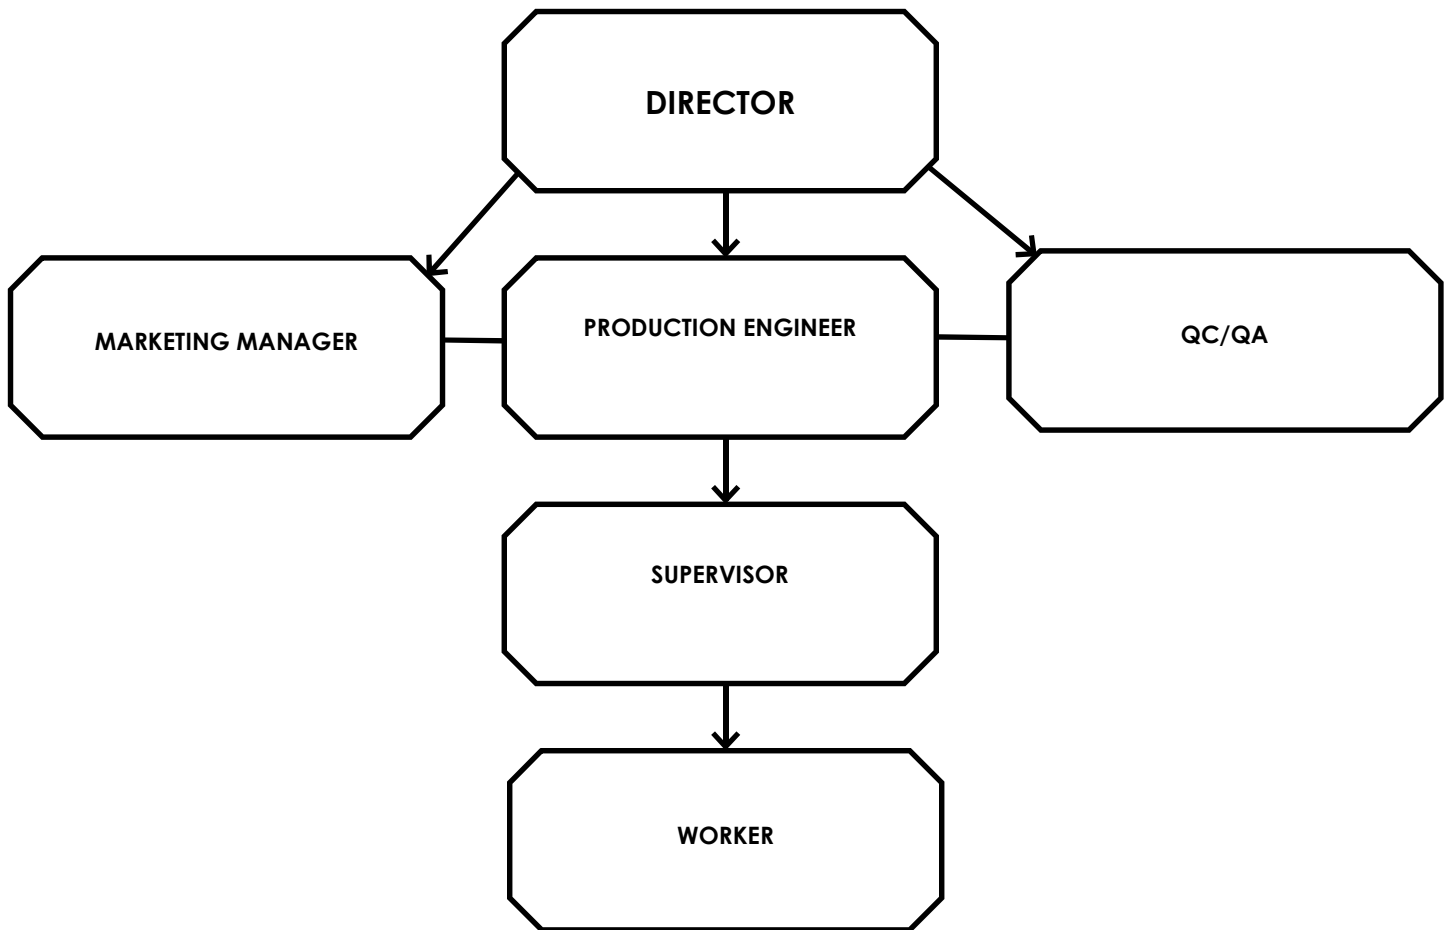

QUALITY CONTROL

Quality Control function is to develop and implement an integrated sequence or specific control on quality relative to materials, process and product based on quality aspects of industry specifications and customer requirements, design specifications and manufacturing process requirements to assure a timely shipment of products with proper quality at relatively minimum costs.

Our Commitment is to “FOCUS ON QUALITY”
